

Northern Light Photography Graduation Portraits

We are pleased to announce that Northern Light Photography will be taking the graduation portraits for Didsbury High School this year. These pictures will include the traditional cap and gown pictures as well as portraits of the students in casual wear.

To insure that you get the best pictures possible, these pictures will be taken in our studio in Didsbury. Your session will be approximately 30 minutes long. There is a sign up sheet in the office with available time slots. Even if you aren't interested in ordering grad pictures, you should still book a session to insure that you have a picture for the yearbook. Please indicate on the signup sheet if you are only coming for a yearbook picture.

IMPORTANT

There is a \$25 sitting fee to be paid the day of pictures. Please make cheques payable to Northern Light Photography.

Retakes

We will send out another letter once the date has been determined. There is no sitting fee for retakes.

Recommendations for casual wear

A long sleeve shirt or sweater looks best. Bare arms tend to make the portraits look less classy. Solid colours look better than shirts with logos or patterns. Blue, green, red and burgundy colours are complimentary to most skin tones. Avoid wearing a solid white top as white tends to wash out your skin tone. And if you have pale skin, avoid wearing solid black. Don't wear purple or pink colours if you have blemished skin.

It is important to have your clothes ironed, as wrinkled clothing really stands out under studio lighting.

Girls – please wear matching sox since your feet will be visible in some of the casual pictures. Guys – please wear dark sox.

Recommendations for cap and gown pictures

For guys, a dress shirt and tie looks best.

For girls, an open neckline with a necklace looks nice.

Miscellaneous

We provide the grad gown, cap and sash for your cap and gown pictures.

Please arrive 5 minutes early so that you have time to do any final touchups to your hair and makeup.
